

LET'S HEAR IT FOR THE BOYS

JUNE IS MEN'S HEALTH MONTH.

Let's face it, when it comes to their health, men are stubborn. It's why Arkansas Urology proudly offers FREE 10-point screenings* for common issues, as well as a full-service Men's Health Clinic, located in Little Rock. Join countless other men choosing the state's leaders in urology and men's health and taking control of their health. Come celebrate Men's Health Month with us and schedule a free screening today for you or the man in your life.
