

MAN UP FOR MEN'S HEALTH MONTH.

Join countless other men celebrating Men's Health Month and schedule a screening for you or a man in your life. As the state's leader in men's health and urology, Arkansas Urology proudly offers FREE health screenings* at its Men's Health Clinic. Visit www.arkansasurology.com to learn more.

Arkansas Urology

(501) 219-8900 | arkansasurology.com

*To qualify for the free screening, men must not be a current Arkansas Urology patient, not have been referred by another physician, not have a current diagnosis of low T and/or not have been seen at AU for at least 3 years.
